## Medical & Hospitalization

Medical and hospitalization is becoming quite expensive and unaffordable for common man in Mumbai. The needy and the underprivileged section of the society looks up to the Jamat for meeting their monthly medical bills, investigation and hospitalization expenses.

Every year, KSI Jamat, Mumbai tries and supports its members and tries to alleviate their misery by providing financial assistance.

In the financial year 2018- 19, Jamat disbursed Rs.80.86 lacs towards this cause and in the financial year 2019 -2020 it disbursed Rs.72.90 lacs and in 2020 -21 the disbursement was Rs.62.19 lacs.

This year, due to the monetary stress faced by community members on account of protracted lockdowns and loss of jobs and income and also due to pandemic, the demand for medical assistance is also significantly higher.

Jaffrey Gymnasium – which is the major source of income of the Jamat – was closed for a significant part of the past year thus putting a major stress on the Jamat. This forced us to curtail our assistance on regular medicines.

Despite the financial constraints, the Jamat has in the seven months of the current financial year 2021 – 22, have already disbursed Rs.31.77 lacs towards medical and hospitalization expenses. The demand for medical assistance keeps on piling up, we urge community members to donate generously towards this cause and help our respected members.
